VSP

- **##Benefit** includes coverage for glasses or contact lenses, not both.
- **^** For the discount to apply your purchase must be made within 12 months of the eye exam. In addition Full-Feature plans offer 30% off additional prescription glasses and nonprescription sunglasses, including lens options, if purchased on the same day as the eye exam from the same VSP doctor who provided the exam.
- Charges for an initial purchase can be used toward the material allowance. Any unused balance remaining after the initial purchase cannot be banked for future use. The only exception would be if a member purchases contact lenses from an out of network provider, members can use the balance toward additional contact lenses within the same benefit period.
- ¹Extra \$20 on select brands

Davis

- **##Benefit** includes coverage for glasses or contact lenses, not both.
- Contact lenses from Davis Vision's Collection are available at most private practice locations with Full Feature and Materials Only plans. Contacts from the collection are covered in full including fitting and evaluation, in excess of the plan's materials copay. Elective contacts that are not part of the Collection are covered up to the plan's elective contact lens allowance and the materials copay is waived.
- ***** Due to lower prices available at Wal-mart and Sam's Club locations, discounts do not apply. Members will pay 100% of the amount over their allowance.
- For Davis Vision, complete eyeglasses must be purchased at one time from one provider. For example, if a member purchases only lenses, he or she cannot purchase frames later in the same benefit period. The member is not eligible for new vision materials until the next benefit period. Only charges for an initial purchase can be used toward the material allowance. Any unused balance remaining after the initial purchase cannot be banked for future use.
- ²Extra \$50 at Visionworks stores
