Volunteer Training for Botanical Gardens

Volunteer orientation for Buffalo & Erie County Botanical Gardens will be held on **March 4** from 10am-2:30pm. **FREE! Please RSVP by February 28.** You may train as a horticulture volunteer and work inside and outside the greenhouses. Or, your choice may be to help maintain our facilities with carpentry, electrical, and maintenance work. Maybe you would prefer administrative support and computer tasks. Or, you may be tempted to work in the Gift Shop or admissions. Training as an education volunteer means you would provide hands-on activities for visitors of all ages. Finally, there are volunteers that help with special events and weddings. Branch out and turn over a new leaf. Join our family! **INTERNSHIPS AVAILABLE!**

Reuse Action in Action: Source for Reusable Materials

Reuse Action helps deconstruct buildings to return building materials to the supply chain. Check out the video [here](#) for more information. Reuse Action is a nonprofit organization that helps you avoid landfill, donate them to Reuse Action. Food Composting and Waste Resources

A recent Food Donation & Food Scraps Recycling Law meeting at the University at Buffalo addressed a number of community questions. The law, which goes into effect in 2022, only applies to certain large volume food scrap generators. Resources provided at the meeting are available using [this link](#).

Current NY Environmental Bills List

Every week during the New York State Legislative Session, Environmental Advocates of New York reviews all of the bills introduced in legislative committees or on the floor of the State Senate and the Assembly. They then issue a memo that summarizes the legislation and describes our position on measures with significant environmental impact. If you would like to sign up for this listing, you can see the status of New York State legislation and can take action on those that are important to you. <http://eany.org/our-work/bill-ratings>

Tips for the Environment:

Quality Paper Recycling- February is dedicating February to educating the public about paper recycling. According to the US EPA, over 65% (approximately 44.2 million tons) of the paper and paperboard produced was recycled in 2017. How? Recycle paper from your home, office, school and just make sure it is clean, dry, and free of food residue. If you buy greeting cards, seek out ones without plastic, glitter and other nonrecyclable components. You can opt out of junk mail by [registering](#) on the National Do Not Mail List. **DO NOT** recycle

- Paper products with metal, foil, glittery or large plastic components

- Paper mailers and envelopes padded with bubble wrap and Tyvek® envelopes

- Plastic inserts, fake credit cards, and other hard plastic cards

- Receipts

- [Paper towels and tissues](#) (consider [composting](#) instead if chemical cleaners are not used)

- Soiled paper plates, bowls, takeout boxes etc.
